

The following e-District services are now enabled via UMANG mobile platform/ application of the Government of India:-

1. Next of kin certificate.
2. Permission for Delayed Birth Registration.
3. Permission for Delayed Death Registration
4. Non-Creamy layer certificate.
5. Permanent Resident Certificate for Higher Education.

The citizen of Sivasagar district will be greatly benefited from this alternate channel of public service delivery as they will now be able to apply directly from their mobile phones for the above mentioned services without visiting the CSCs and PFCs.

Android users may download the application at :
